To,
The Principal,
Savitribai Phule Mahila Mahavidyalaya, Satara.

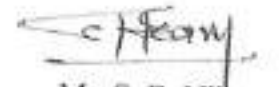

Subject - A Report on "extra guidance lecture under remedial coaching" in April month

Respected Sir,

Savitribai Phule Mahila Mahavidyalaya, Satara had conducted extra guidance lecture to BCA class III under Remedial Coaching held on every Saturday in the April Month. These lectures organized to prepare student for appearing for MCA-CET examination. These lectures provided a useful guidance about CET exam whereas we have covered important subject as communication and logical reasoning and programming language.

These lectures are conducted by Miss. A. A. Kshirsagar and Mrs. S.J. Dhanawade of BCA Department. In this lectures we taught students how to solve logical reasoning questions and programming language related questions as well. This activity surely helped our students to improvise their solving logical and aptitude question capability. These lectures boost student's logical thinking capability as well. In future we are willing to conduct such lectures to all classes.

Yours Faithfully,

**Remedial Coaching, Slow and Advanced Learners, Bridge Course
Guiding Committee (2021-22)
Report**

Remedial Coaching, Slow and Advanced Learners, Bridge Course Guiding Committee worked for fulfillment of the needs of the students with different abilities. The committee organized extra guidance under Remedial Coaching, Slow and Advanced Learners, Bridge Course. **Remedial Coaching** was conducted for the third year of B.A., B.Com., and BCA. Extra guidance of difficult topics/units was provided to the students. The departments conducted extra lectures after the regular lectures. The time-table and teaching plans were prepared regarding the tough topics. This extra guidance and practice proved useful for the students as they could understand the topics.

Slow and Advanced Learners guidance was conducted for First year students of B.A., B.Com., and BCA. The students admitted for these graduation programmes come from diverse backgrounds. Additionally, there is difference in HSC pattern and University pattern of evaluation. In this academic year 2021-22, to identify Slow and Advanced Learners the criterion of HSC marks was decided as in the beginning of the academic year due to Corona pandemic diagnostic test couldn't be conducted physically. The percentage of marks as well subject marks secured by the students in HSC were considered to identify slow learners and Advanced learners. The students having below 45 marks were listed as Slow Learners. Extra lectures were organized for them after the regular lectures. Unit Tests, Oral Tests were conducted to evaluate their performance. The students having marks above 70 were identified as Advanced Learners. They were provided with extra guidance as per their advanced abilities. These students were provided extra books through library, departmental library. The teachers personally guided them time to time and motivated them for various co-curricular activities like various competitions, poster, wallpaper, quiz, projects, trade fair, college annual magazine Maitreyi, etc. Guest lectures and workshops were organized by the departments to cater to the advance needs of these students.

The students for BCA are admitted from arts, commerce, and science. The students find some subjects like Mathematics difficult if they haven't studied it in their HSC. To fill this gap in their learning **Bridge Course** for Mathematics subject was conducted for BCA I. Extra lectures of Mathematics were conducted.
