One day Workshop on

Aptitude test and Counseling

The main goals for this workshop is Once students are aware of their personalities, career options and strengths, they can make informed decisions. Unlike achievement tests which help determine a child's level of skill, aptitude tests determine the child's capability when it comes to performing a given task

Objectives

1. To help a student choose right careers for them.
2. To Help in Developing the Ability of Self-Guidance
- 3.To help choose a career by identifying one's potential
- 4.To properly and accurately evaluate yourself
- 5.To help in identifying a student's strength towards achieving their goals based on their best skills
- 6.To identify the aptitudes of the students in a scientific way
