**Introduction –**

For a developing country like India, banks are considered as the backbone of the country's economy. The global disorder in the financial segment that occurred a few years ago had the least effect on our country's banking sector because of our sound banking and financial system. The banking sector in India is growing at a rapid rate and is among one of the fastest growing industry vertical. The rapid advancements and growth in the banking sector has paved way for many banking career opportunities. The banking sector in India is gearing itself and there are much more private banks to come in the near future. All of these bring in huge career opportunities for those who aspire to become future bankers. Maximum commerce graduate students should get job opportunities in banking. For preparation of IBPS Examination our college runs this short term course.

**Objectives:**

- 1. To get Knowledge of banking competitive examination.**
- 2. Prepare pathway towards the success of IBPS examination.**
