BCA Department

Short Term Course “English Communication Skills”

BCA -I - (2021-2022)

Report

Co-ordinator Name- Mr.Nikam S.B.

Department – BCA

Introduction-

The ability to speak and communicate is the only difference between Animals and Human beings. It's due to effective communications skills that humans interact with one another as a social being. For a person to progress well in society, only merits are not enough, only qualifications don't work, the person have powerful communication skills so that he can put across to others what he wants them to do. It's all fine about communications skills but the question is how to improve these skills.

Communication skills is the ability to use language and express information. Communication skills is the set of skills that enables a person to convey information so that it is received and understood. Communication skills refer to the behaviors that serve to convey information. Communication skills is the ability an individual displays in consistently to effectively communicate with clients, colleagues, subordinates, and supervisors in both the professional and personal world.
