5. To develop the proficiency for planning and organizing teaching and instructional activities.
6. Use the different approaches of teaching.

Resource persons: Prin.Dr.Arun Andhale.

Dr.Mrs.Jayashri Aphale.

Description of activity:

Teaching-Learning process is the soul of academic activities. To face the challenges of global educational scenario, teachers and students must be aware of new and innovative techniques used for teaching. These new methods make the learning process satisfactory, easy and time saving. To train the teachers in using various innovative methods IQAC and Staff Academy planned the workshop for all teaching staff. This workshop has been conducted on 24th August 2018 at college.

The theme was introduced by vice principal Dr. Mrs, Prabha Kadam. She explained the 'e' education as a need of time and then the actual workshop was started. At first, Prin.Dr.Arun Andhale addressed all the members about the innovative teaching methods. In the first session, he guided about the Field Visits / Project - Reports Writing / Presentation Skills, Brain Storming, Problem Solving Methods. With the help of PPT, Dr.Andhale presented the outline of each method, with required steps. He gave details of how to use each process and how to keep the record with its output.

In the second session Dr.Mrs.Jayashri Aphale guided about the innovative teaching methods such as use of 'e' source (you tube, film screening, PPT), Group

Discussion, Role play, etc. Various examples are given to explain the proper method. YouTube; videos are screened for clear and transparent understanding of each method. Various formats are provided to all the participants to prepare the proper synopsis and documentation of method. The participants also asked questions and queries on the various methods. Resource persons answered all the queries properly and with the vote of thanks by Dr. Ravindra Patil, with the interactive session, workshop was over. All teaching faculties were present for the workshop and participated actively. Total Beneficiaries: 26

Output:

1. Many faculty members are using innovative teaching methods.
2. Language teachers are using film screening, Role playing, Group Discussion Method to make the teaching, learning process more comprehensive and interactive.
3. Difficult topics are easily understood by the students.
