Role of Students in Academic Enhancement of the Institute and SSS.

Day / Date: Sunday, 1st March 2020

Introduction:

Under Lead college scheme of Shivaji University, Kolhapur, IQAC has organized a one day workshop on '**Role of students in Academic Enhancement of the Institute and SSS**', on **Sunday, 1st March 2020** at 9:30 am to 4:00pm. The subject chosen for workshop is the need of present educational scenario. Students are always considered at the centre of educational process. Institute has to provide all required physical and academic facilities to the students for their overall development. At the same time students must have the knowledge of their role in the academic development and enhancement of the college. They have to take opportunity of all facilities provided to them for their betterment which helps to enhance the quality of institute. Moreover they should be aware of NAAC and their role in assessment process, with this specific object the present workshop was organized on Sunday 1st March 2020 by "Internal Quality Assurance Cell" (IQAC)

Objectives:

The objectives of the workshop

- To create awareness among the students and teachers about how to contribute in academic enhancement of the institute.
- To acquaint the students to the academic and physical facilities provided by college for them.
- Develop concrete strategies for over-coming the academic barriers.

- To create the awareness about students' role as student, mentee, participant in sports, academic and other activities
- Explain the concept of NAAC and SSS.
- To inculcate the human values and responsibilities.
- To provide training of critical and analytical thinking.
- To provide the hands on training through the questionnaire.

Description of Activity:

To guide the students and faculty members Dr. Ayub Shaikh, Member from IQAC cluster, India was invited as a resource person. He was felicitated by Prin. Arun Andhale, the president of workshop. Dr. Ayub Shaikh addressed students very intellectually and fluently. He explained the participants the meaning of NAAC and its process in very simple and lucid manner.

Keeping the student at the centre, how the educational system is run by the Govt., UGC, Universities and colleges is explained to the students. Then he emphasized students' role in academic development and enhancement of the college. Students' responsibility lies in their active participation in various activities, conducted by the college. He explained in detail various terms such as- Mentor-Mentee, Slow-Advanced learners, Remedial teaching, Extension Activities, Field projects, brain storming, problem solving, hands on training, participative learning etc. in detail with example in the 1st session.

In the second session Dr. Ayub Shaikh explained in detail about the students satisfaction survey. He stressed that to get mark is not important but students' satisfaction is more significant feature of institution. Students' happiness and satisfaction lies in their own role. If they know what to do and how to do, how to use the facilities provided, they will be satisfied. Then he has given them the questionnaire to fill up the answers. Students tried their best and completed the work assigned to them. They participated actively in workshop. The chief guest's was introduced and object of workshop was explained by Dr. Mrs. Jayashri Aphale, IQAC co-ordinator and

the significance of theme was explained by Dr. Sunita Gharge, Head Dept. of English and the co-ordinator of Lead College Scheme.

The jewel in the crown is the presidential address given by Prin. Dr. Arun Andhale, Auditor Rayat Shikshan Sanstha. He motivated the students in lively manner and took feedback openly by asking them various questions. He assured the students to provide them full support for academic development. Dr. Ayub Shaikh and Dr. Arun Andhale inspired students to participate in skill oriented courses and value based courses. Mrs. Latika Patil, IQAC member compered and expressed the vote of thanks on behalf of all.

Output:

- Teachers and students became aware of their role in academic enhancement of the institute.
- Students came to know various terms and the process of National assessment and accreditation of college.
- Students understood their responsibility and role.
- They became aware of the significance of skill-based courses.
